Affordable Next Step Solutions

Free Further Action review - £0

Assessment of site-specific evidence, supplied by the client to identify if there is a reduced risk of liability under the contaminated land regime (Part 2A of the Environmental Protection Act 1990).

FCI Appraisal - from £200 + VAT

For more complex contaminated land further action results, or where the legal professional or client does not feel comfortable obtaining information or interpreting the risks themselves, the FCI Appraisal facilitates transactions in a quick, cost effective manner through consultation with the regulators and expert analysis.

FCI Flood Appraisal - from £150 + VAT

For Flood 'Further Actions', a property-specific manual assessment of the flood risk, taking into account the characteristics of the property and additional flood-risk information sourced from the Local Authority.

FCI Walkover - from £995 + VAT^

Where a more detailed analysis of contamination potential is required, a member of our team of environmental property professionals and chartered experts will visit the site to make a contamination risk assessment and produce a full written report.
